*MVCTC – Miami Valley Career Technical Center

Social South: **Marion's Pizza Kettering**

Third Wednesday of each month

15 April 09	17 June 09	19 August 09
20 May 09	15 July 09	16 Sept 09

North Social: **Marion's Pizza Englewood**

First Monday of each month

6 April 09	1 June 09	3 August 09
4 May 09	6 July 09	7 Sept 09

PRESIDENT'S NOTES
GARY TERBORG

Two weeks ago we had a great seminar with Alf Sharpe. Those of you who couldn't make it missed one of woodworking's greatest talents. He really displayed some fantastic talents and showed us many tricks and the pictures of his work were amazing. Hats off and kudos to John Knight for all the work he did in arranging and bringing in supplies for Alf's session.

At the next meeting, each of you will be given a subject of interest survey when you arrive. Please take time to fill it out and let us know what subjects you would like to see covered in our future meetings and seminars. This will help us to plan events for the next few years.

We are looking for 4 persons to serve as meeting chairmen for next year. This is a great way for you to get involved in this club. The officers on the steering committee will give plenty of help, so if you would be willing to help us out let me, Larry, Dick, or any of us know at the April meeting.

We will be closing this year with a very special event. Scott Phillips is going to host us at an open house at his shop and new home in May. The firm date will be announced at the April meeting.

This past year has been a good one for the club. We've added a lot of new members and some great events, like the now to be Annual Delta show, the seminars, and firming up the scholarship fund; which I hope will continue to grow. It's been a real privilege to serve as president and vice-president for the last 3 years. I hope to help this club to continue to thrive and grow in the future like it has been. I must thank all of you who have had a part in it.

Keep 'em sharp and keep the sawdust flowing. I will end this with the same quote I began with last spring because I think it best sums up what we woodworkers are all about.

Gary

> *"The modern age has a false sense of superiority because of the great mass of data at its disposal. But the valid criterion of distinction is rather, the extent to which man can form and master the materials at his command."*
>
> Johann Wolfgang Von Goethe
> 1810

MEETING ADMINISTRATOR
Vice Pres. LARRY BILDERBACK

We had another excellent meeting in February. Dick Reese was the chairman and introduced Scott Phillips who proceeded to share with us many fine details that he uses in his woodworking. After Scott, Steel City told us a lot about their company, and the tools that they produce, along with where they get all that granite that they use for their machine tops.

In the afternoon we Rick Switzer from Cincinnati Color Company reviewed the Mohawk line of finishing products. To wrap up the afternoon our own Gary Terborg brought in his lathe and showed us how to turn wooden pens. The oak that he used turned out beautiful and he gave the pen to Bud Knowles as a thanks for Bud's years of service to the club.

Our April meeting chairman will be Charles Bales. He has planned to start the meeting with our own Dick Kammerer who will show us the fine art of veneering and the use of a

vacuum bag to hold the veneer to the substrate. After Dick, Nathan Roberts from Rio Grande Woodworking School will review his projects and share some of his woodworking knowledge.

In the afternoon Campbell Hausfeld will be at the meeting and discuss HVLP sprayers, air compressors, and their extensive line of air tools and their uses.

We are very interested in your suggestions for activities and presenters for our meetings. We want to keep it interesting for everybody. Please let me know of interesting subjects and possible demonstrators so we can work them into our meetings.

Home phone: 937-294-2147,
Cell phone: 937-371-4706, or
E-mail: lrbilderback @aol.com

SEMINARS: Fall & Spring
JOHN KNIGHT

We are now gathering ideas for the Fall Seminar 2009 and the Spring Seminar 2010. Please share your idea(s) and thoughts with me.

JOINT PURCHASES
GORDON GALLOWAY

Amana Tool orders:
You can pick up any/all tools orders at the April meeting.

O'Keeffe's Working Hands:
We still have some available: $4.00 per jar.

Hartville Tool Discount:
I have Hartville Tool catalogs for all who signed up for the 20% discount we receive this year on all catalog items.

WOODWORKING SOCIAL
BOB HUTTER, CHAIRMAN

Beer – Pizza – Talk about Woodworking

If you like any of these, you will love the Socials.

If you can ever make it to the South Social you will always see several members of the Steering Committee, and you can find out more about what is going on in the club. We talk about projects, new products, and techniques. We always enjoy having new members join us.

"**The South Social" "** at **Marion's** in **Kettering** on the third Wednesday of the month is located at 50 East Stroop Road which is on the southeast corner at the intersection of Stroop Road and Far Hills Avenue in Kettering.

"**The North Social"** at **Marion's** in **Englewood** on the first Monday of the month is located at 404 West National Road (US Route 40) in Englewood. Take exit 29 off I-70. Go 1.7 miles north; turn left, and west, onto US 40 go 0.3 miles. It should be on the left (south) side back in a strip mall.

If you have any questions or need directions, please call me at **937-657-7845.** Hope to see you there!

SHOP TOURS
HARRIS BARTINE

Friday, May 1: Rio Grande College/University

Coming next, on **Friday, May 1** is our annual trek down to **Rio Grande College/University**. Save out the day as it will include lunch at **Bob Evans Farm**, a tour through the **Bob Evans Museum** and a tour of **S & J Lumber** that cuts about 40,000 board feet per day.

Directions in a nutshell: From Dayton, it is about 120 miles straight down US 35 to the southeast, take the Rio Grande Exit , turn right (south) on Rt. 325, go to the 4 way Stop, turn left on to Rt. 588 go about a mile to the Bob Evans Restaurant, Store and Museum on the left side of the highway (north side). We will all meet there for lunch between 11 and 11:30. I'll have maps and instructions for the rest of the events of the day.

In general we will depart Bob Evan's about 1 pm so as to arrive at S & J Lumber at about 1:15pm where **Alan Smith or one of his staff** will give us a tour of their Lumbering/Milling facility. Around 3 pm we'll head back to the Rio FWW facility where we will get to see the students in their last stages of putting the finishing touches on their projects. A formal open house is scheduled this year (technically starting at 5pm). **Eric Matson** said that there will be quite a nice selection of student furniture and projects on hand for viewing and you will be able to talk with the students about their work. This will occur between 3 and 6 pm.

Please Call me : 937-236-0841 or Email me : hbartine@graphtronics.net If you plan to attend; I will try to establish car pools. Save fuel & make friends.

Saturday, May 16 : Scott & Suzy Phillips

This is the one you have been waiting for. Scott and Suzy Phillips have finished their house and they have kindly offered to host an **OPEN SHOP** with a **Hot dog/Burger Fry** followed by an **OPEN HOUSE TOUR** (given nice weather). If it's rainy weather, you'll get a rain check for the house tour at some later date!

The festivities will be on **Saturday, May 16**. The shop tour will start at 10:00 AM and will run until noon, and by the way, Scott will have a few tools and pieces of equipment for sale so you might want to fill your pockets with greenbacks!!!

At noon Scott and Suzy will host a **POT LUCK lunch** at the Woodshop. That's right; bring something if you want to eat something. Soda, Chips, Dip, Veggie Plates, Meat plates, Casseroles, Cookies, Brownies, Cakes, Pie or any other

Goodie that you can **MAKE, BAKE OR BUY** but just bring something. Oh Yes, **this is a family thing** so bring your wife, significant other or youngster that is interested in wood working; they'll enjoy it!!

The open house will follow Lunch and Clean Up at around 1:30 to 2:00pm.

Directions to the shop: Just Google Scott's Shop Address: **901 Piqua Troy Road, Piqua, OH** (don't use MapQuest—It doesn't even know where Piqua is) Or....Go north on **I-75 to Exit 78**, (no other exit will do) which is **County Rd. 25A** (It will show up as N. Dixie Hwy on the Google map/satellite display). Turn Left, (NNW) go 0.6 of a Mile to **Peterson Rd** (it may also be labeled W. Farrington Rd), Turn Right, (ENE) go another 0.6-0.7 of a mile and you should come to a "T" junction which will be **N. Piqua Troy Rd**, Turn Left, (NNW), Go 1.5 Miles north towards Piqua and you will see **THE AMERICAN WOODSHOP** on the right side of the road. It is a large new white building set back a 100 or so feet with a green roof and a front porch. It's surrounded by farmland. There is an old barn behind the woodshop where Scott stores some of his wood. (Note if you pass Windham Way on the right, you've gone a fifth of a mile too far; turn around & go back!!!)

Directions to Scott and Suzy's house; again, Google: **9640 Piqua Lockington Rd. Piqua, OH**. Or try this: go north on **N. Piqua Troy Rd** about 0.5 Miles, Turn Left on **W Statler RD** (which **will become Garnsey St**). It will cross a River (the Miami), After crossing the river turn right on (north) **S Main St**. Follow Main through town(turns into N Main St), it will cross the Miami River again. A fifth of a mile after crossing the river, look for **Piqua Lockington Road** on the Left. On the Right it will be called **N Dixie Dr**. Take **Piqua Lockington Road** to the Northwest, It will bend to the north, go 1.5 miles and look for this **Gigantic Stone House on the Left** — That's Scott and Suzy's abode—enter via the gravel road on the left prior to reaching the house.

SEE YOU THERE, DON'T MISS THIS ONE; IT WILL BE BIG FUN!!!

Please Email or Phone me with the number of people you will be bringing to Scotts so that we can plan the food, Thanks.

FELLOWSHIP
DEL BOWER

WOW Picnic:

This years picnic will held Jun 7 at Yankee Park. This is a great way for you to see other members of the club away from the meeting and for your spouce to meet you woodworking friends. All you need to bring is a covered dish and table service. The club will furnish hot dogs and drinks.

There will be a game for your spouse: the winner receives a $25 gift card for a local restaurant. There is also a game for WOW members: the winner receives a $25 Woodcraft gift card.

See the attached flyer for more information and sign up.

Hospitalized, Sick, or injured:

Jerry Gee was in Miami Valley hospital – ICU – and doing fine after surgery. Sat. 3-21: just talked to Jerry and he is doing fine! He said that maybe he will be out of ICU later this afternoon... and Sun. 3-22 or Mon. 3-23... AM or maybe early PM will be released to go home.

Charlie Hirsch, one of the original members of WOW suffered a heart attack Saturday, March 14th. He is at Dayton Heart Hosp., Room 215. Your cards, best wishes and prayers would be greatly appreciated.

Other:

If you know of any member or their spouse that is ill, hospitalized, or has passed away please contact me, Del Bower, at: 937-434-0742 or grandann13@aol.com

SCHOLARSHIP PROGRAM
HARRIS BARTINE, CHAIRMAN

All right, last year I didn't give you enough advance notification; so this year I'll put in a request early and remind you later on. Right now would be a good time to go though some of your magazines and project books and pick out a small or medium weekend project that you could make and donate to the Rio Grande/WOW Scholarship.

Your donated projects will be sold at the Artistry In Wood Show WOW Scholarship Table this coming November. The proceeds will go into the WOW Scholarship fund. Last year, the donations from club members yielded over $200.00 for the fund – Nice job folks, **THANK YOU VERY MUCH**; hopefully we can do even better this year.

Need some ideas? Cutting boards, Game boards, Trays, Shaker oval boxes, Stools - 3 leg, 4 leg, Small benches, Puzzles, Boxes, Display boxes for kids stuff, small wall units. Turners: How about Bowls, Pens, Pencils, Rolling Pins, Christmas Tree Ornaments and those cute little Bird houses. Oh yes, did I mention Toys? When you make your toys for our WOW Xmas meeting make an extra one and give it to the Scholarship fund. We will take and try to auction off just about anything including tools that you may not want to use any more.....

Oh yes, one other thing, as you are making the item think about it's value and let me know what should be a fair starting price for the silent auctioning. I think that 1 or 2 items got out on low bids last year.

Thanks again for your generous support.

Harris Bartine, Ph. (937) 236-0841,
Email hbartine@graphtronics.net or hvbartine@yahoo.com.

PROJECT CORNER
JERRY FORNER

The project corner provides a venue for displaying your woodworking and carving projects - so please share your skills with the club members and provide an opportunity for browsing during breaks and lunch time. And don't forget – drop your name in the pot for a chance at our prize drawing at the end of the meeting. If we have twelve or more projects displayed we will draw two prizes..

ARTISTRY IN WOOD
JERRY FORNER

Its not too early to think about Artistry in Wood. Maybe your project will win the prize, or maybe you just want to contribute a work for auction. See Harris' comments on how you can help build the scholarship funds while having fun at the same time.

WOW WEBSITE
JOHN LYONS

WOW Member e-mail addresses:

We continue to have problems with member's e-mail addresses. The below names are not currently receiving e-mails because there is a problem with their addresses. If you know one of these people inform them to contact the club with their proper e-mail address.

Doug Trimble
Bob Lock

Two things you can do to assist us in maintaining accurate lists.

One, if you do not receive any e-mail from the club for a period of 1 month or more please go to the web-site and use the contact us form and send your current e-mail address so that we can check/update our records.

Two, if your e-mail address changes because you switched services please go to the web-site and use the contact us form and send your current e-mail address so that we can update our records.

http://westernohiowoodworkers.org/

CHERRY WOOD NAME TAGS
DENNY KUGLER

You can order name tags at the next meeting for $6.00: cash only please – no checks. These name tags are made locally by Cy Byrd.

CAD SIG
JOHN LYONS

Jerry Former was at Hardwood Lumber and More in Cincinnati and asked them how they do their drawings and they said they use TurboCAD. They indicated they would look into providing us some form of training. More when it becomes available.

MEMBERSHIP
DENNY KUGLER, CHAIRMAN

I want to welcome our newest club members. Our club has many fine woodworkers in a wide variety of categories. You are sure to find others who share a like interest and with whom you can share ideas and methods.

One of the best ways to get to know who's who in the club is to get involved in one or more of our programs. There are many ways to do this: both big and small ways. So take advantage of the opportunity by talking with our President, Vice President, or a Committee Member.

NEWSLETTER EDITOR

- 30” X 60” workbench with drawers
- 8’ fluorescent shop lights with lamps
- Misc. other stuff.

For information and photos, please email Curt Marshall.

Email: marshall.cj@apec.com

WOW members, I am looking for someone who may have some experience with doing canning on a rocking chair. I have a friend who has a rocking chair, and needs some of the canning repaired and/or replaced. I have not seen the chair recently, so I do not know how extensive the damage is. If anyone is interested in doing this work, please contact me via email.

Thanks, Ron Frame

Email: Sawdust32@aol.com

[At the seminar] On Sunday Alf was talking about the difficulty in obtaining 90 weight cheesecloth to use for French polishing. I have found a source but it requires a 60 yard minimum. I thought I would order a bolt but I certainly don’t need 60 yards! If any of you would like to share this with me please let me know. It looks like it will cost about $1.50 per yard. The bolt is 36” wide.

I have sent this E-mail to everyone I could think of that was at the seminar.

Those interested should drop me an E-mail and let me know how many yards they would like. We can divide it up at the April meeting for those that are there. Otherwise I would get it to you somehow.

Dick Reese
