Social South: Marion’s Pizza Kettering

Third Wednesday of each month

18 June 08	20 August 08	15 October 08
16 July 08	17 September 08	19 November 08

North Social: Marion’s Pizza Englewood

First Monday of each month

2 June 08	4 August 08	6 October 08
7 July 08	1 September 08	3 November 08

PRESIDENT’S NOTES
GARY TERBORG

As your new president, my first act in office is to thank all the people on the steering committee who “stepped up to the plate” to fill the vacancies of retiring members and to the one’s who retired after many years of dedicated service.

Our new steering committee met for the first time on May 13th and discussed many topics, but most importantly the topics for next years meetings. I have been involved with this part of planning for over 2 years and have never seen the number and variety of topics that Larry Bilderback has on his list. This is definitely going to be an exciting and educational year for all of us.

One of the topics I brought up is Scott Phillips is working with the design engineers at Delta and they would like to use our club as a “sounding board” for their new products. They are scheduled to come to the October meeting and get our opinions as skilled woodworkers on new products before they even market them. This will be a first for WOW and a real indication of the respect we have in the woodworking world.

Also, Wayne Spurrier has graciously taken over the position of Christmas Toy Chairman. He has all the wheels

and some trim material Al (at Woodcraft) donated to the club. If you are working on toys this summer between golf and lawn mowing you can contact him for supplies. If you need other size wheels or massed produced parts let me know and we will try to make arrangements to get them. I really want to see our Christmas Toy Commitment continue at least as big as last year. You guys showed the Miami Valley who the real Santa Clauses are.

Last but not least, the club picnic is taking place on June 8th in Centerville. See the Fellowship Section or the WOW Website for details. I hope you can all make it.

Till the next news letter – Keep ‘em sharp and make lots of sawdust.

Quote of the month.

The modern age has a false sense of superiority because of the great mass of data at its disposal, but the valid criterion of distinction is the rather the extent to which man knows how to form and master the material at his command.

Johann Wolfgang Von Goethe
1810

MEETING ADMINISTRATOR
Vice Pres. LARRY BILDERBACK

We are starting to put together the agendas for the upcoming year. We are coming up with some very good presentations for our meetings, but, we still have plenty of spots open for club member short presentations and demos. I need a couple more volunteers to help me with the meetings, so anyone interested in fulfilling their volunteer activity for the year, I promise that it will not take much of your time, and my shop will be open for a couple of planning meetings, with refreshments.

Also, many of you may have a new tool or have learned a different technique that would be of interest for all. Please let me know and I will put you down for a short demo at the meeting of your choice.

Finally, I would like to know what we could do at our meetings that would interest you. Please let me know and

we will try and set up a format to accomplish what you would like us to do.

MEMBERSHIP
DENNY KUGLER, CHAIRMAN

I want to welcome the newest member of our club: Carl Bechtol. Our club has many fine woodworkers in a wide variety of categories. You are sure to find others who share a like interest and with whom you can share ideas and methods.

One of the best ways to get to know who's who in the club is to get involved in one or more of our programs. There are many ways to do this: both big and small ways. So take advantage of the opportunity by talking with our President, Vice President, or any one of the Committee Members.

SHOP TOURS
HARRIS BARTINE

Also firmed up for the future is a visit to the **Popular Woodworking Magazine** facility in Cincinnati, OH. As mentioned before, I have talked with Chris Schwarz, the Editor in Chief of Popular Woodworking and they will kindly host an evening get together for us on Wednesday evening the 9th of July. The activities will start at 6:30 pm and will end between 9 and 10.

Activities will include:

- a light pizza supper;
- a shop tour - see Chris' famous bench and the spot where Popular Woodworking builds and photographs many of their magazine articles;
- a briefing of any tool testing that may be going on at that time;
- and for the hand tool guys Chris will do a 30-40 minute Hand Saw Clinic.

Popular Woodworking is located in the FW Publications Building; across from the Jewish Hospital.

4700 East Galbraith Road,
Cincinnati, OH - 45236

Directions:

- 1.South on I-71, take Exit 12
- 2.Left at the exit onto Montgomery(going northeast),
- 3.Go about 1/4 mile on Montgomery,
- 4.Take another left (westbound) on E. Galbraith
- 5.Go about another 1/4 mile to 4700 E. Galbraith Rd.

NOTE: I NEED TO BE NOTIFIED IF YOU ARE GOING TO GO ON THIS TOUR AS THERE IS A LIMIT OF 60 PERSONS DUE TO BUILDING FIRE RESTRICTIONS

I have 57 already signed up and I will be checking at the door. At press time there 3 slots left.

Call me : 937-236-0841 or
Email me : hbartine@graphtronics.net

WOODWORKING SOCIAL
BOB HUTTER, CHAIRMAN

Are you new to the club? Do you want to get to know your fellow WOW members better? Do you love talking about woodworking?

If you answered "yes" to any of these questions you should consider joining some of your fellow WOW members at Marion's Pizza. Since last February 2007 we have been getting together each month to talk woodworking over pizza and beverages at Marion's.

"The South Social" at **Marion's** in **Kettering** on the third Wednesday of the month is located at 50 East Stroop Road which is on the southeast corner at the intersection of Stroop Road and Far Hills Avenue in Kettering.

"The North Social" at **Marion's** in **Englewood** on the first Monday of the month is located at 404 West National Road (US Route 40) in Englewood. Take exit 29 off I-70. Go 1.7 miles north; turn left, and west, onto US 40 go 0.3 miles. It should be on the left (south) side back in a strip mall.

If you have any questions or need directions, please call me at **937-657-7845**. Hope to see you there!

SCHOLARSHIP PROGRAM
HARRIS BARTINE, CHAIRMAN

In your membership package – which you will receive later this summer – you will find a green sheet as in prior years. This is for your optional contribution to the scholarship fund. This is one way in which our club encourages the continuation of our shared wood working tradition.

CHERRY WOOD NAME TAGS
HARRIS BARTINE

You can order name tags at the 18 October 2008 meeting, \$6.00 cash (no checks). The order will be placed with Cy Byrd late October.

I still have one cherry wood name tag that belongs to **Al Comb**. I will bring it to the October 08 meeting or if you are in the neighborhood stop by and pick it up at my house. Call before you stop by.

4401 Silver Oak St.,
Dayton, OH 45424-4643
Phone # (937) 236-0841

PROJECT CORNER JERRY FORNER

Have fun this summer and remember to bring some of those summer projects into the October meeting.

ARTISTRY IN WOOD JERRY FORNER

The 27th annual Artistry in Wood (AIW) show is scheduled for November 8 - 9, 2008 at the Dayton International Airport Exposition Center. Once again WOW will have a booth at the event with ample table space and we would like you to start thinking about a project (or projects) you will complete and display at our booth. All the items on display will be reviewed by a group of WOW judges and first, second and third place ribbons and cash will be awarded for each of two categories – floor standing furniture and table top items. You also have the option of entering the AIW judging, which awards first, second and third place ribbons (cash for first and second) in numerous woodworking categories. Registration details will be provided in coming months. Registration fees are paid by WOW. Please do your part in showing the greater Dayton area the broad array of talent that resides in our Western Ohio Woodworkers club. Begin your planning now.

WOW WEBSITE JOHN LYONS

<http://westernohiowoodworkers.org/>

We have tools/wood for sale on our website. Please check them out for possible adoption. You will get a gently used tool at a fraction of the cost of a new one.

If you have a tool or wood for sale, please send an e-mail to ohiolyons@yahoo.com to remove it when sold or update any changes.

If you want to list an item for sale, send an e-mail to ohiolyons@yahoo.com with information concerning the item. Photographs are very helpful in closing the deal. The more information you provide the more likely your item sells.

Always remember to include **WOW** in the subject line of your e-mails.

NEWSLETTER EDITOR GORDON GALLOWAY

The deadline for the newsletter is the 20th of the odd numbered months. E-mail a text or Microsoft Word file to me and please put WOW in the subject line.

E-mail: gordon.galloway@sbcglobal.net.

CAD SIG JOHN LYONS

Six of the thirteen members of the CAD SIG group met May 12th for a demo drawing of a bookcase. A general discussion of CAD issues ensued afterwards. A primary area of interest was looking into the possibility of a generic CAD class at Sinclair Community College. Bob Hutter had contacted IMSI the company that makes TurboCad for a possible group discount. Initial conversations indicated that we could get a substantial discount if at least 5 members would purchase TurboCad Deluxe. The proposed discount is \$69 for a \$129 software package. Bob Hutter is evaluating how easy TurboCad is to use and intends on making a recommendation concerning the joint purchase in the near future. The CAD SIG group meets on an AD HOC basis and does not have any currently scheduled meetings.

If you are interested in joining this WOW sub-group e-mail me and include **WOW** in the subject line of your e-mail – ohiolyons@yahoo.com – or see me, John Lyons, at the next general meeting. If you send an e-mail, please indicate Windows or Mac, and what CAD software you are using and version. If you are not currently using CAD software and are interested in CAD, you are welcome also!

FELLOWSHIP DEL BOWER

Our annual WOW picnic is June 8th at Yankee Park. This is a great way for you to see other member of the club away from the meetings and for your spouse to meet you woodworking friends and their spouses. There will be games for members and their spouse along with prizes: a \$25 Woodcraft gift card and a \$25 gift card to the Olive Garden or Red Lobster.

Please let us know you will be coming by filling in the Picnic form on our website, or call me if you do not have web access. Also, bring a covered dish and table service. The club will furnish hot dogs and drinks.

Get Well cards. If you are aware of any member that is ill or in the hospital, please let me know:
